Miles achieves Gold Certified Partner Status in Microsoft Partner Program

Miles' MoneyWare Integra™ product suite is now Windows 7 compatible

Mumbai, July 26, 2011: Miles Software Solutions (P) Ltd. (Miles), a leading provider of technologically-advanced solutions to asset and wealth management firms across the world, today announced it has attained Gold Certified Partner status in the Microsoft Partner Program as an Independent Software Vendor (ISV).

This certification represents the highest level of competence and expertise with Microsoft technologies. The Microsoft Gold Partner accreditation recognizes Miles as an organization that has continually demonstrated the highest ability and a commitment to offering best-in-class solutions to its customers. Miles' MoneyWare Integra™ product suite will now provide Windows 7 compatibility to help boost productivity for customers and ensure a consistent user experience.

Microsoft Gold Certified Partners receive numerous advantages, including direct assistance from Microsoft and access to their trainings and support; thus offering a competitive advantage to our clients.

Miles' financial technology solutions are tailored to meet the unique needs of asset and wealth management firms across the world. Its comprehensive and functionally-rich solutions are created to support and enhance the clients' business processes thereby accelerating their business performance.

"Miles is proud to achieve Microsoft Gold Partner status. The accreditation is a testament to our product strategy which is focused on offering highly functional and easy to use software to our business users. This certification gives evidence of our expertise on latest technologies and proves our capacity to meet customer's needs on Microsoft Platform," said **Pradeep Paliwal, CTO, Miles.**
